### ORDER GUIDELINES

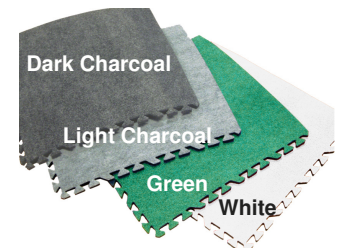

This Product will take 7 to 10 business days to be delivered, from the time we receive the correct graphic file.

Product Description:

### Interlocking Anti-fatigue Flooring

- Firm, flexible foot and leg support minimizes fatigue from walking and standing allowing you to stay energized.
- Gives a more professional appearance to any booth.
- Setup and teardown in less than 10 minutes.
- Hand carry to your booth. Each 10' x 10' weights just 30 lbs.
- Premium, industrial grade, stain-resistant carpet with 1/2 inch thick, closed-cell foam padding. Easy to clean.

Designed for even quicker installation than small tiles

- No carpet tape or tools required
- Available in 4' x 10', 2' x 10' and 1' x 10' tiles
- Optional custom storage racks and/or carrying cases available

Exclusive beveled edge and corner tiles provide attractive transition from aisle to booth and help prevent tripping
